An application has been made by the Company to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, (i) the H Shares to be issued pursuant to the Global Offering (including any additional H Shares which may be issued pursuant to the exercise of the Over-allotment Option); and (ii) the H Shares to be converted from the issued unlisted foreign Shares immediately upon completion of the Global Offering. Assuming that the Hong Kong Public Offering becomes unconditional and the right of termination described in the section headed “Underwriting” in the Prospectus has not been exercised at or before 8:00 a.m. in Hong Kong on Wednesday, 25 September 2019, it is expected that dealings in the H Shares on the Stock Exchange will commence at 9:00 a.m. on Wednesday, 25 September 2019. In the event that the Over-allotment Option is exercised, an announcement will be made by the Company on the website of the Stock Exchange at www.hkexnews.hk and the website of the Company at www.henlius.com.
The Company is initially offering 64,695,400 H Shares (subject to the Over-allotment Option) under the Global Offering, which consists of 6,469,600 Hong Kong Offer Shares (subject to reallocation) and 58,225,800 International Offer Shares (subject to reallocation and the Over-allotment Option), representing approximately 10% and 90% of the total number of Offer Shares initially available under the Global Offering, respectively. Of the 58,225,800 Offer Shares initially being offered under the International Offering, 8,372,000 Offer Shares (representing approximately 14.38% and 12.94% of the Offer Shares initially being offered under the International Offering and the Global Offering, respectively) will be offered to the Qualifying Fosun International Shareholders and the Qualifying Fosun Pharma H Shareholders as an Assured Entitlement by way of the Preferential Offering. The allocation of the Offer Shares between the International Offering and the Hong Kong Public Offering, in each case, will be subject to reallocation on the basis as described in the section headed “Structure of the Global Offering” in the Prospectus. The Reserved Shares are not subject to such reallocation. In accordance with Guidance Letter HKEx-GL91-18 issued by the Stock Exchange, if such reallocation is done other than pursuant to Practice Note 18 of the Listing Rules, the maximum total number of Offer Shares that may be allocated to the Hong Kong Public Offering following such reallocation shall be not more than two times the number of Hong Kong Offer Shares initially available under the Hong Kong Public Offering (i.e. 12,939,200 Offer Shares).

In connection with the Global Offering, the Company is expected to grant the Over-allotment Option to the International Underwriters, which will be exercisable by the Joint Representatives (for themselves and on behalf of the International Underwriters) at any time from the Listing Date to the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering (being Thursday, 17 October 2019). Pursuant to the Over-allotment Option, the Company may be required to allot and issue up to 9,704,300 additional Offer Shares, representing approximately 15% of the Offer Shares initially available under the Global Offering, at the Offer Price, to cover over-allocations in the International Offering, if any. In the event the Over-allotment Option is exercised, the number of Reserved Shares will not change.

Subject to the granting of the approval for the listing of, and permission to deal in, the H Shares on the Stock Exchange and compliance with the stock admission requirements of HKSCC, the H Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the date of commencement of dealings in the H Shares on the Stock Exchange, or such other date as may be determined by HKSCC. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second business day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and the CCASS Operational Procedures in effect from time to time. All necessary arrangements have been made to enable the H Shares to be admitted into CCASS. Investors should seek the advice of their stockbrokers or other professional advisers for details of the settlement arrangement as such arrangements may affect their rights and interests.
The Offer Price will not be more than HK$57.80 per Offer Share and is expected to be not less than HK$49.60 per Offer Share unless otherwise announced as further explained in the section headed “Structure of the Global Offering” in the Prospectus. Applicants for the Hong Kong Offer Shares and the Reserved Shares are required to pay, on application, the maximum Offer Price of HK$57.80 per Offer Share plus brokerage of 1.0%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%, subject to refund if the Offer Price as finally determined is less than HK$57.80 per Offer Share.
